

A special gift that comforts children.

- **The Perfect Size for Little Hands**
Dimensions: 180 mm x 145 mm x 210 mm
Weight: 125g

The KULUMI Sheep is a soft toy audio-player with 2 levels of navigation, rechargeable battery and auto-shutdown feature.

- **Audio Player with 8GB Memory and 2 Levels of Content Navigation**
Content is programmable via loading cable. Sturdy buttons on the soft toy's nose and feet to switch it on/off and navigate easily between the 2 levels of content: Main/Root folder and File.
- **Built-in 2W Speaker**
Good sound quality allows up to 10 children to hear the audio content. Adjustable volume.
- **Auto Shutdown Function**
The sheep can play non-stop for 25 minutes. Then it will stop and the red light will blink for 5 minutes before turning off completely.
- **Battery**
3.7V / 500mAh Li-Po battery; 300 charge cycles; 8-12 hours of use; 5 hours to recharge. Unzip to access the audio player and recharge the lamb.
- **Durable and Washable**
Hypoallergenic polyester material; waterproof wires and buttons. Detach the audio player before washing the lamb.
