

# History of

Since 2012, KULUMI has focused on creating durable, cost-effective electronics for communities living in the dark.

We are putting life-enhancing technology in the hands of these families, lighting the path to a brighter future.

# Designed for IMPACT

Hope Tech Global (HTG) is an Original Design Manufacturer (ODM) specializing in technology solutions from design to production. In 2012, we launched our own brand: KULUMI

We are here to help you turn your product needs into reality.

The treasure within  
the treasure

20+ years R&D Expertise  
Proven Mass Production  
Integrated Global Logistics
